INC., and FRONTIER AIRLINES

CIVIL ACTION

NO. 2:20-cv-05532-CMR

JOINT REPORT OF RULE 26(f) MEETING AND PROPOSED DISCOVERY PLAN

In accordance with Federal Rule of Civil Procedure 26(f), Local R. Civ. P. 16.1(b), and the

Court's policies and procedures, counsel for the parties conferred on August 10, 2021, and hereby submit the following Rule 26(f) Report:

Discussion of Claims, Defenses and Relevant Issues

Plaintiff's Position:

Plaintiff – Plaintiff is the administrator of the estate of Aaron Jenkins, her nephew. Mr. Jenkins (“Decedent”) was employed by defendant Worldwide Flight Services (“WFS”) as a baggage handle in Terminal E of the Philadelphia International Airport (“PHL”). While employed Decedent endured physical aggression and harassment from other employees. On May 3, 2018, Decedent was involved in an fight with Kevin Emanuel based upon Mr. Emanuel’s attempt to bully and/or harass. Mr. Emanuel then stabbed and killed Decedent. Plaintiff brings the current cause of action based upon the City of Philadelphia’s intentional acts of removing from the hangar allowing employees to bring weapons. In fact, there were incidents of prior weapons and violence occurring in this hangar previously which the City was aware of. Cause of actions are filed against Frontier under Premises liability for failing to maintain a safe site as they were under a lease agreement with the City to properly secure the location. Claims are being brought against WFS based upon the personal animus exception under Pennsylvania’s Workmens Compensation statutes.

Defendant Worldwide Flight Services’ (“WFS”) Position:

Defendant WFS denies liability and will argue that the plaintiff’s claims are barred by the exclusivity provision of the Pennsylvania Workers’ Compensation Act, 77 P.S. Section 481. Plaintiff’s claims do not establish a personal animus or third party attack exception to Workers' Compensation Act's exclusivity provision. 77 P.S. §§ 411(1), 481. Further, WFS was not on notice of any issue that would have led to such an unforeseeable incident and therefore, cannot

be found to have had a duty to have prevented it. WFS did not own, lease or manage the subject premises where plaintiff's claims occurred. Additionally, the negligent acts and/or omissions of other individuals and/or entities beyond the control of WFS may have constituted intervening, superseding causes of the damages alleged by Plaintiff.

Defendant Frontier Airlines, Inc.'s ("Frontier") Position:

Frontier denies liability and anticipates filing a motion to dismiss all claims against it for Plaintiff's failure to state a claim. Frontier intends to argue that it owed no duty of care to the decedent, Mr. Jenkins, who was a WFS employee, and who suffered injuries and an unfortunate death as a result of a third-party's act for which Frontier has no liability. Frontier did not supervise or control WFS employees. Frontier was not aware of any information or issues that would have notified it of such an unforeseeable incident in the premises, and, therefore, cannot be found to have had a duty to prevent it. In addition, Frontier was not responsible for the security of the airport.

Defendants, City of Philadelphia and Philadelphia International Airport's (improperly sued as a defendant) position:

Respectfully, the City denies all liability relative to this matter, which involves the murder of a Worldwide Flight Services, Inc. ("WFS") employee by another WFS employee. At all times relevant hereto, Frontier Airlines, Inc. hired WFS which, by and through its employees, provides ground handling, baggage, cargo and transportation services, among other services, to Frontier in furtherance of and for the benefit of Frontier's airline transportation business. As a matter of law, the City is immune from liability for the negligent or criminal acts of third parties. See 42 Pa.C.S.A. §8541, et seq. With respect to Plaintiff's §1983 claims, the City maintains that Plaintiff has failed to state a claim against it, as she is unable to satisfy the elements of an alleged state-created danger theory of liability. The City maintains that it had no policy or custom that would work to deprive Plaintiff's Decedent of any constitutional right and therefore, Plaintiff will be unable to meet her burden of demonstrating an alleged violation of Decedent's constitutional rights. As such, the City is not liable under §1983. See *Monell v. Dep't. of Soc. Svcs. of City of N.Y.*, 436 U.S. 658, 690, 98 S.Ct. 2018, 2035-36 (1978).
